

EAS 2018 – Resources for You

The next EAS Short Course and Conference is August 13 - 17, 2018 at the **Hampton Roads Convention Center in Hampton, Virginia**, located mid way along the Atlantic coast and within a 10-hour drive of 40% of the U.S. population. We seek to encourage as many participants as possible to join us – it is the biggest and most friendly bee meeting in the region!

To help publicize and provide information about the meeting we have some aids you might like to utilize at no charge to you.

The EAS website is <http://www.easternapiculture.org> – we will update 2018 meeting information from time to time. Preliminary program and lodging information is available now. Things to do, see, etc. will follow. Registration information will be posted in March.

Speakers Bureau to potentially have an EAS 2018 committee member speak at local/regional bee meetings. Contact EAS President, Pam Fisher, at EAS2018Virginia@gmail.com to inquire about booking a speaker.

Table poster about the 2018 EAS meeting; *includes matching flyers* with information on short course tracks, conference speakers, field trips, and social events. Contact Pam Fisher at EAS2018Virginia@gmail.com

Official Logos are located below. Appropriate for club newsletters, blogs, and internet postings.

PowerPoint a brief PowerPoint to highlight EAS 2018 appropriate for showing at a club meeting or bee event. View on the EAS web site at <http://www.easternapiculture.org/conferences/eas-2018.html> or contact Pam Fisher at EAS2018Virginia@gmail.com for a copy on a flash drive, disc, or as an email attachment.

Videos by Virginia's EAS Director, Karla Eisen, that capture the essence of what EAS is all about. Download the **promotional video** from the [Virginia State Beekeeper Association YouTube channel](https://youtu.be/erLPfQ5J4) at <https://youtu.be/erLPfQ5J4> Other videos of EAS news stories are also on the You Tube channel. Contact Karla Eisen at director.va@easternapiculture.org for a copy on a flash drive, disc, or as an email attachment

Facebook EAS is on facebook at <https://www.facebook.com/easternapiculture>
